

LOCATION OF PLACES OF DETENTION IN ERITREA IDENTIFIED BY THE COMMISSION OF INQUIRY ON HUMAN RIGHTS IN ERITREA

Analysis with WorldView-3 Data Acquired 24 September 2015 and 23 January 2016 and Landsat-8 Data Acquired 29 May 2016

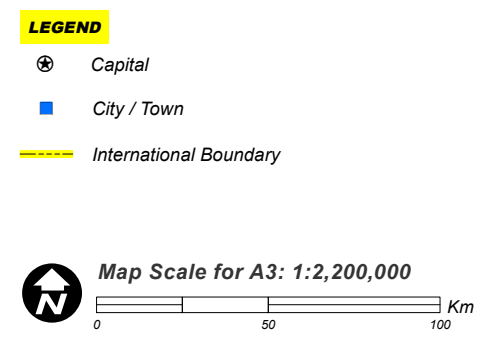

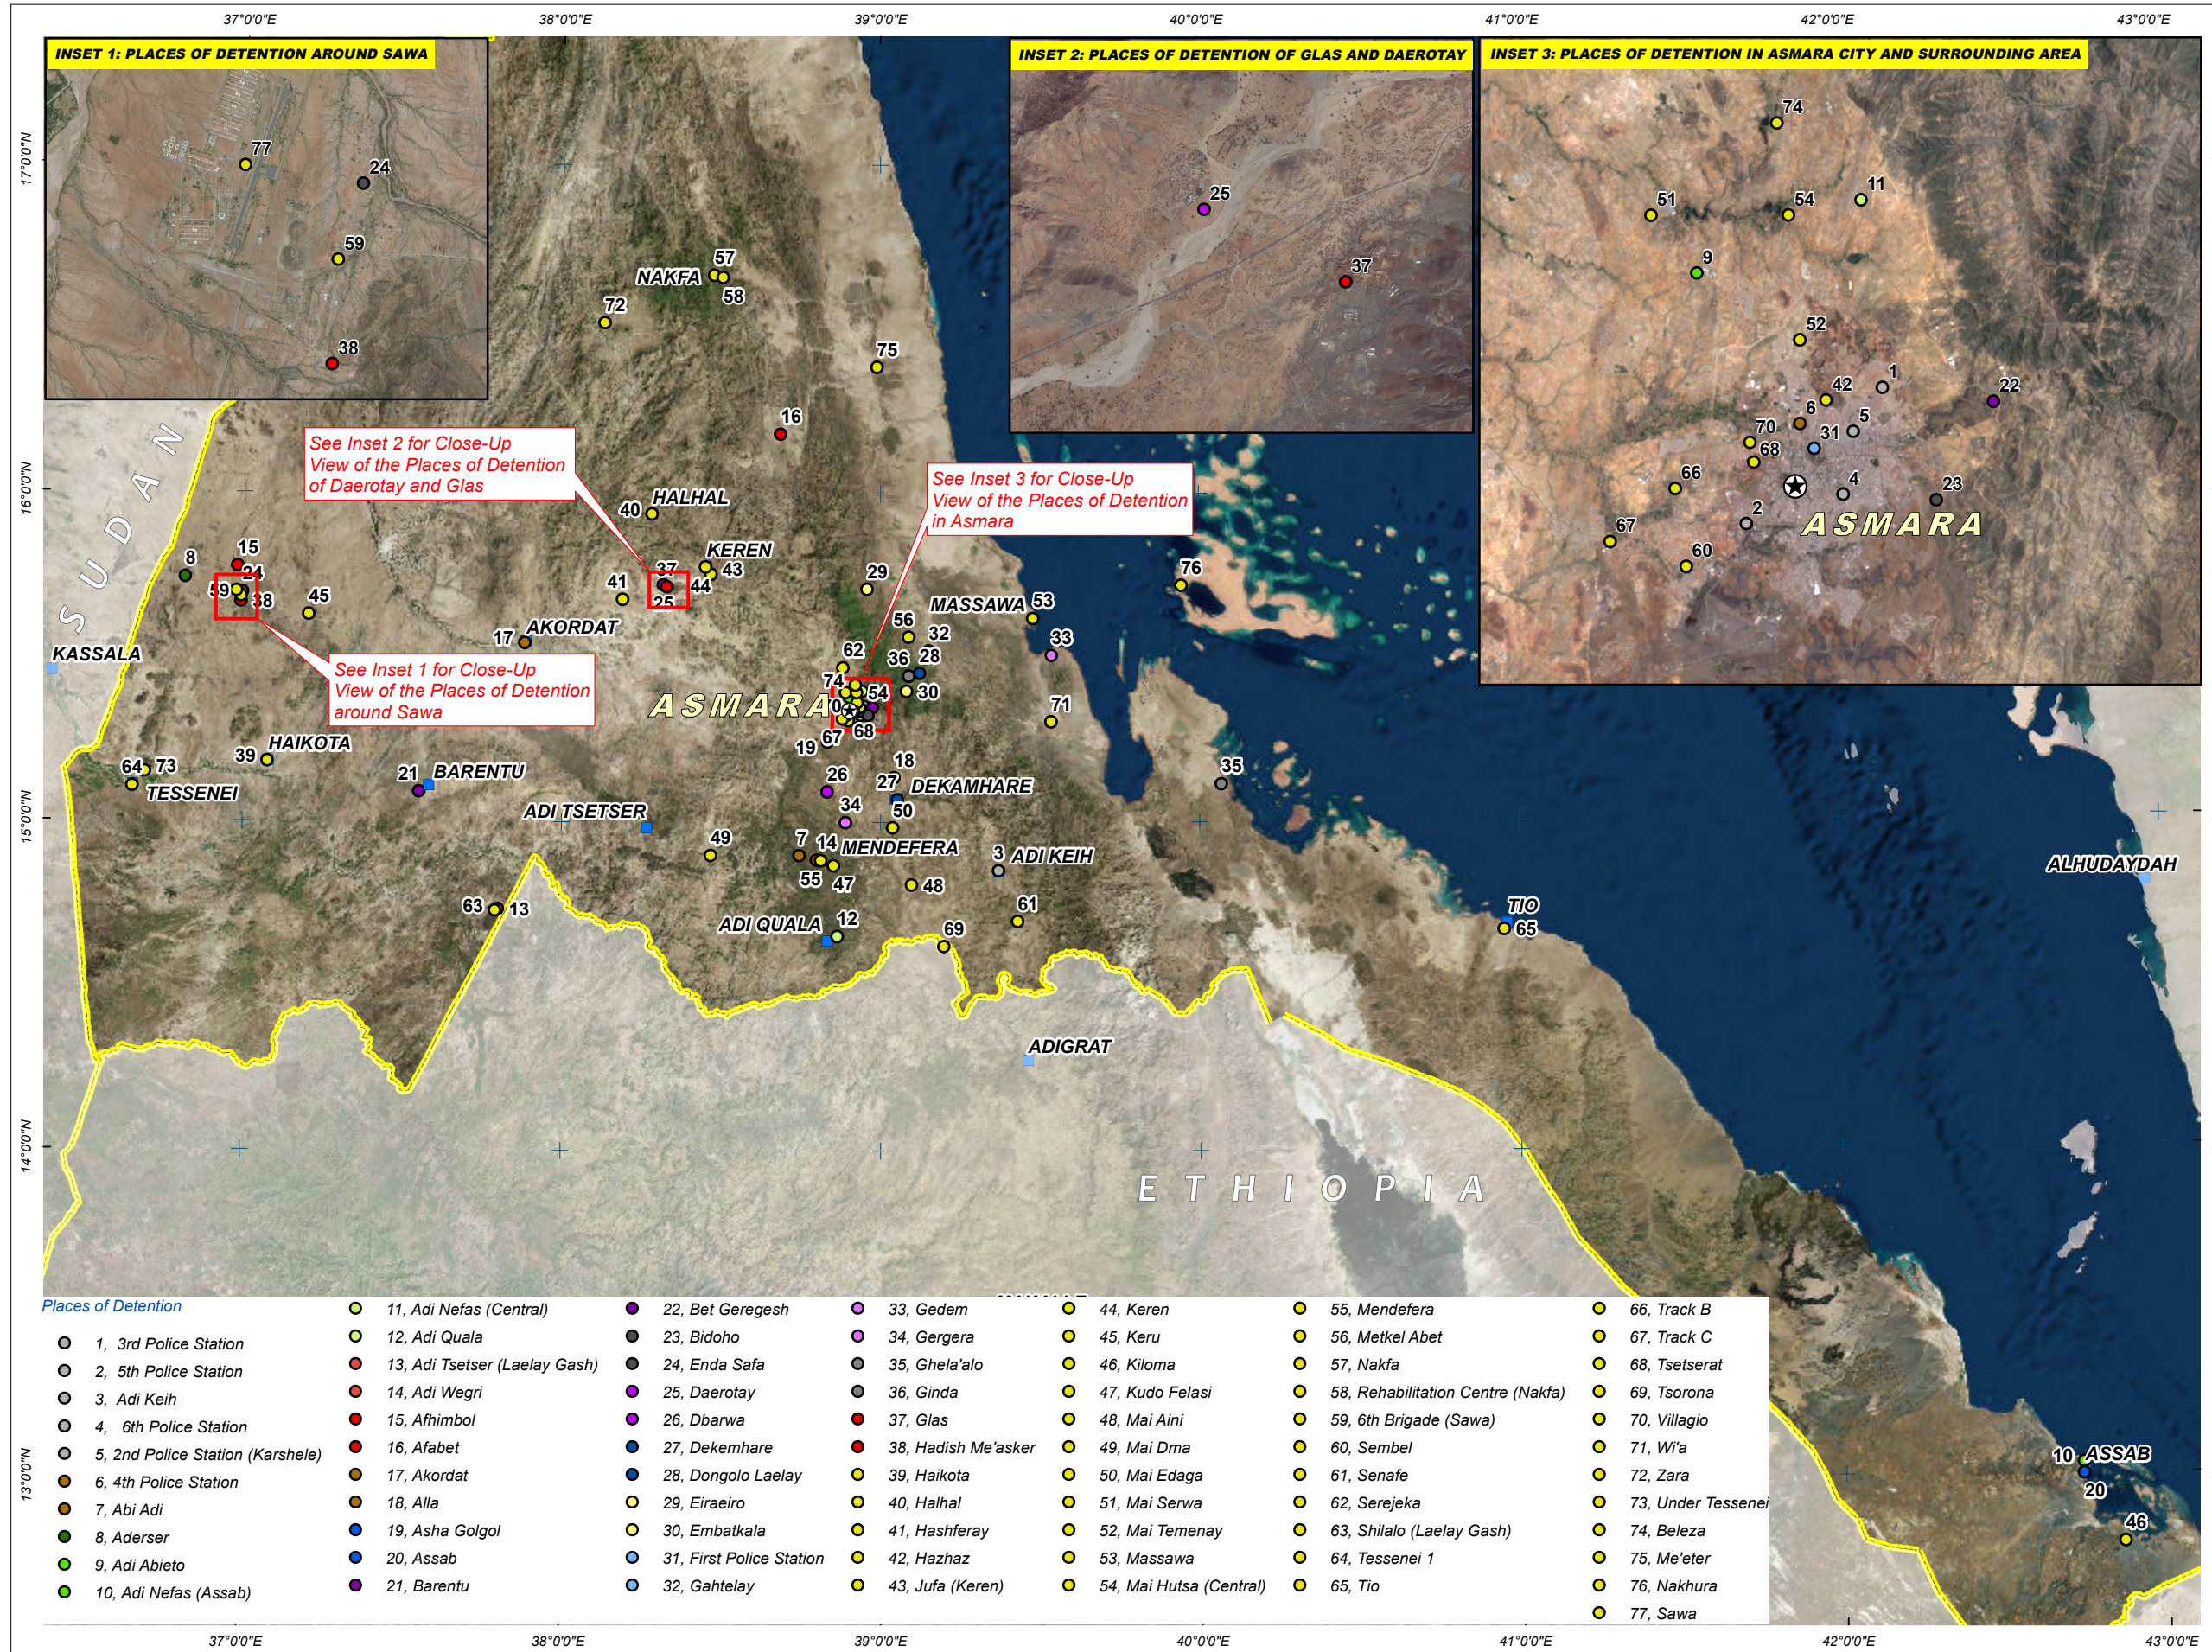

This map illustrates the location of 77 places of detention in Eritrea. Given that each town, administrative district, police station and military division have their own prisons, the Commission

assumes that the list is not exhaustive and that there are additional places of detention. Data used in the development of this map were collected from multiple sources.
