

Calendar of UNGPs 10+ related events 2020-2021

As part of the UN Working Group on Business and Human Rights (UNWG) efforts to chart a course for a decade of action on business and human rights, the UNGPs10+ project and organizations supporting the project have hosted a series of workshops, consultations, panels, and other activities with the goal of engaging a wide range of stakeholders and soliciting input for project outputs.

The calendar of events outlined below includes UNWG-led events as well as relevant events hosted by external stakeholders. **This list is not exhaustive.** Consultations and other events complemented the [call for written input](#) open to all interested parties as well as a dedicated [questionnaire for governments](#) (the deadline for questionnaire responses was 30 November 2020).
