

**Questionnaire in relation to Human Rights Council resolution A/HRC/RES/44/7
on human rights and climate change**

1. Please describe the impacts of the adverse effects of climate change on the full and effective enjoyment of the human rights of older persons. Where possible, please share specific examples and stories.
2. Please describe any specific policy, legislation, practice or strategy that addresses the nexus between climate change and the rights of older persons. In particular, please share any information related to policies that ensure the participation of older persons in the design, planning, implementation and monitoring of climate change mitigation and adaptation measures; learning from the knowledge and experience of older persons; as well as supporting the independence and autonomy of older persons. Please note and identify any relevant mechanisms for ensuring accountability for these commitments, including their means of implementation.
3. Please share a summary of any relevant data that captures how the adverse effects of climate change have affected older persons, taking into account multiple and intersecting forms of discrimination (i.e. discrimination based on a combination of multiple grounds, including disability, gender, race, colour, sex, language, religion, nationality and migration status) – including in older age cohorts.
4. Please describe any mechanisms and tools that are in place to measure and monitor the impacts of climate change on the full and effective enjoyment of the human rights of older persons.
5. Please identify and share examples of good practices and challenges in the promotion, protection, and fulfilment of the human rights of older persons in the context of the adverse effects of climate change, including any age-appropriate or sensitive support services that are provided.
6. Please include examples and good practices that highlight international and multilateral cooperation and approaches that are implemented in close consultations with and with the active involvement of older persons, including through their representative organizations.
7. Please provide any additional information you believe would be useful to support climate action that promotes the full and effective enjoyment of the rights of older persons.
