Columbia University

Professor Philip Alston, New York University

Professor Radhika Balakrishnan, Rutgers University

Professor James Thuo Gathii, Albany Law School

Professor Penny Andrews, City University of New York

Moderated by Craig Mokhiber, Office of the High Commissioner for Human Rights

Monday 5 December 2011

10:00a.m. – 1p.m.

Conference Room E, North Lawn Building

UN Headquarters, New York

“Political leaders seem to have forgotten that health care, education, housing, and the fair administration of justice are not commodities for sale to the few, but rather rights to which all are entitled without discrimination. Anything we do in the name of economic policy or development should be designed to advance these rights and, at the very least, should do nothing to undermine their realization.” -- Navi Pillay, High Commissioner for Human Rights
