

Dear Special Rapporteur,

Please find attached a contribution from Minority Rights Group International on anti-Semitism in **Egypt** and its impact in terms of access to justice for the Egyptian Jewish community. This contribution expands from our January 2019 [report on the situation of Egypt's minorities since 2014](#), that contains a chapter on Egyptian Jews (pages 15-16).

I would also like to draw your attention to relevant developments on anti-Semitism documented in our recent reports:

- Anti-semitism in **Lebanon**, see [this report](#) (Dec 2014) p. 2
- Hate speech and hate crimes against the last Jews of **Yemen**, see dedicated chapter of [our report](#) (Jan 2016), p 10-11
- The situation of Jews in **Tunisia**, see the dedicated chapter or [this report](#) (Nov 2018), p. 13-15
- Hate speech against Jews in **Saudi Arabia**, see [our report](#) (Nov 2015), p 8-9

Developments on anti-Jewish sentiment and speeches in **Hungary, Russia, Tunisia, Venezuela** and Canada are also contained in our [2014 annual "State of the World Minorities" report](#), focussing on hate speech and hate crimes.

We also have "profiles" on the situation of Jewish communities in [Russia](#), [Turkey](#), [Belarus](#), [Yemen](#), [France](#), [Lithuania](#), [Moldova](#) and [India](#) in our World Directory of Minorities and Indigenous Peoples: <https://minorityrights.org/directory/>

We hope this can be useful to the preparation of the UNGA report.

My colleagues and I are at your disposal should you need more information.

All the best,

Glenn Payot
