

UNRWA

UNRWA would like to make the following submission.

It is suggested that a priority focus area for the Working Group, in line with its mandate as per Human Rights Council resolution A/HRC/17/4, should be to provide practical guidance to relevant United Nations bodies on how best to promote and apply in UN procurement and partnership activities the Guiding Principles on Business and Human Rights: Implementing the United Nations “Protect, Respect and Remedy” Framework, taking into account good practice and lessons learned on their implementation.

Kind regards,

Lance Bartholomeusz
Chief, International Law Division
Department of Legal Affairs, UNRWA HQ (Jerusalem)
