Greetings to all the respected members of the Permanent Forum of Afro-Descendants, Her Excellency Epsy Campbell Barr, thank you for your great work, leaving a great legacy as an Afro-Costa Rican for Africa and for the entire diaspora.

Note that we are marginalized often time be excluded
Physical or intellectual disabilities even discriminated upon
We are calling out for inclusion no more discrimination
Nor systematic racism and that we should be free to live like
A free human being the way our almighty create us
We have confident that the Permenant forum of African
Descent or working very hard and that these changes will be made
Through the Power of Qadamawe Haile Selassie with the Spirit of
Marcus Garvey Kwame Nkrumah with the names of the other
That I didn't mention that the time is drawing nigh soon and very soon
The Cry of our ancestor will not go in vain we the present generation
Will not cease the fight till that day of Redemption as come
We the 400million black people shall receive reparatory justice
Economic justice and stability, it is known that slavery was a
crime against humanity 1807 slavery abolished by then 2million slaves
were trade to Jamaica with tens of thousands dying
on ship in the brutal middle passage between west Africa and Caribbean
we toil blood swet and tears 250 years of rebellion and resistance
emancipation from slavery was finally won 1837 we were
all shackle slave worst thing of all
