

## **ADVANCE QUESTIONS TO GREECE**

### **SWEDEN**

- Sweden would like to ask the Government of Greece to elaborate on the expected results of the implementation of the National Action Plan for Migration Management, on the situation of refugees, asylum seekers, and other migrants. What other measures is it undertaking to address concerns in regard to access to the asylum procedure, the quality of the procedures, the number of granted asylums and the conditions in detention centers for migrants?
- Sweden would also like to ask the government of Greece to elaborate on the situation of Roma people in the country. What measures can be taken to further increase the full realization of human rights of the Roma population?
