

Pledge submitted by New Zealand to the Human Rights 75 Secretariat
December 2023

Original language of submission: English

Type of pledge: Single (by one state/actor)

Pledging entity: New Zealand

PLEDGE NUMBER 1: New Zealand will launch a public-facing online Human Rights monitoring tool in early 2024, which will record all UN human rights recommendations issued to New Zealand, and track our actions to implement them. This will strengthen our national mechanism for reporting and follow up for international human rights processes.

Expected deadline within which pledge will be realised: Jul 1, 2024
