

**Pledge submitted by Slovenia to the Human Rights 75 Secretariat  
December 2023**

**Original language of submission:** English

**Type of pledge:** Collective

**Pledging entity:** Slovenia

**Co-pledgers:** Costa Rica, Maldives, Morocco, Switzerland

**PLEDGE NUMBER 1:** We commit to putting human rights at the centre of global environmental action by working towards an effective implementation of the right to a clean, healthy and sustainable environment, as recognised by the UN General Assembly resolution 76/300, at both national and global levels. Our goal is to have this right reflected in all international fora and intergovernmental processes by 2030 such as on climate, food, water, oceans, biodiversity, pollution, including plastics, and future generations. We will continue to prioritize gender equality and put groups and persons in vulnerable situations including children, youth, Indigenous Peoples and environmental human rights defenders at the heart of our endeavours in ensuring their meaningful and informed participation in decision-making and access to justice in environmental matters. We will continue to collaborate with the Office of the UN High Commissioner for Human Rights (OHCHR) and the UN Environment Programme (UNEP) in fulfilling our pledge.

**Expected deadline within which pledge will be realised:** Jan 1, 2030
