

Pledge submitted by Canadian Network for the Prevention of Elder Abuse to the Human Rights 75 Secretariat  
December 2023

**Original language of submission:** English

**Type of pledge:** Single (by one state/actor)

**Pledging entity:** Canadian Network for the Prevention of Elder Abuse

**Location:** Canada

**PLEDGE NUMBER 1:** Our world is aging fast, yet older persons are invisible in the international human rights framework, providing inadequate coverage of their rights. A legally binding international convention on the rights of older persons is the best way to address these gaps. CNPEA pledges to organise a multi-stakeholder meeting/webinar for the Age with Rights Global Rally in February 2024 to advocate for a UN convention and call for our government to participate in the next OEWG on Ageing. We will encourage our 1,000+ members to support the global call for a new UN convention on the rights of older persons.

**Expected deadline within which pledge will be realised:** Feb 29, 2024
