PLEDGE NUMBER 1: In celebration of the 75th anniversary of UDHR, the European Policy Institute pledges to nurture a robust human rights ecosystem in North Macedonia. Our primary objective is to support systematic, evidence-driven monitoring and creative advocacy. We vow to spotlight human rights issues, strengthen the capacities of key entities, and cultivate awareness among policymakers, parliamentarians, CSOs, and citizens. Aligned with national, European, and global values, our collective efforts aim to paint a vivid portrait of resilience and advocacy. Let this pledge serve as a guiding light towards a future rooted in dignity, equality, and justice for every individual.

Expected deadline within which pledge will be realised: Jul 31, 2025
