

Pledge submitted by Felm to the Human Rights 75 Secretariat
December 2023

Original language of submission: English

Type of pledge: Single (by one state/actor)

Pledging entity: Felm

Location: Finland

PLEDGE NUMBER 1: Felm commits to advocate for locally led designs for humanitarian, development and peace interventions that identify the needs of marginalized groups and are sensitive to the localized challenges to democracy and human rights. To increase inclusion and participation, Felm ensures the mainstreaming of gender justice in all its work and promotes the integration of the rights of persons with disabilities into government policies and practices with active involvement of persons with disabilities. Together with its partners, Felm advocates for climate justice in the international climate negotiations and seeks different ways to strengthen child inclusion and participation in its program.

Expected deadline within which pledge will be realised: Dec 31, 2028
