December 2023

Original language of submission: English
Type of pledge: Single (by one state/actor)
Pledging entity: GloCo- Global Community
Location: Switzerland

PLEDGE NUMBER 1: We will establish a global democracy for the global problems. This global democracy shall complement democratic mechanisms that exist on the community, local, regional, and national levels by a global level that addresses the global problems. Global problems are those that affect individuals irrespective of borders, e.g. climate change, tax evasion, digital technologies and artificial intelligence. All humans, i.e. about 8 billion today, shall be global citizens, and have a voice and a vote to identify global problems, suggest and debate solutions, deliberate and vote on the proposals – free from any discrimination and irrespective of origin, gender and beliefs.

Expected deadline within which pledge will be realised: Jun 25, 2045
