

Pledge submitted by Haiti Cholera Research Funding Foundation Inc to the Human Rights 75
Secretariat
December 2023

Original language of submission: English

Type of pledge: Single (by one state/actor)

Pledging entity: Haiti Cholera Research Funding Foundation Inc

Location: United States of America

PLEDGE NUMBER 1: Every Day Women and Girls have been raped, sexual assault in Mobile Home Park by sex offenders. Most of them are afraid to come forward either they're too a shame or illegal migrants. The process to report the assault to the property manager it's little change to have the sex offenders to be re-located to a new location. Our focus is to create a platform for Hispanic Community in Florida

Expected deadline within which pledge will be realised: Jan 1, 2024
