

Pledge submitted by Hewlett Packard Enterprise to the Human Rights 75 Secretariat  
December 2023

**Original language of submission:** English

**Type of pledge:** Single (by one state/actor)

**Pledging entity:** Hewlett Packard Enterprise

**Location:** United States of America

**PLEDGE NUMBER 1:** Hewlett Packard Enterprise pledges our commitment to combatting modern slavery in our global operations and supply chain. We reaffirm our dedication to helping advance best practices across corporate supply chains to force out forced labor. We will continue to listen to, learn from, and elevate the voices of modern-day slavery survivors. We vow to engage with partners across public and private sectors to elevate this issue on corporate agenda, leveraging technology to put an end to this stain on humanity to protect the dignity that is the right of all human beings.

**Expected deadline within which pledge will be realised:** Jan 1, 2030
