PLEDGE NUMBER 1: Human Rights education is at the core of our different activities and events, in particular to engage young people. We stand for the promotion of all human rights. We are strong advocates for the Right to Development. Without addressing the connection between climate change and human rights neither the rights of present or future generations can be protected. We pledge to strengthen ongoing human rights education and campaigns on Right to Development, Climate Justice, Against Racism, for increase of UN budget, including for the pressing needs of the Human Rights sector, cooperation with partners and the UN human rights system.

Expected deadline within which pledge will be realised: Dec 10, 2024
