

Pledge submitted by the OSCE Office for Democratic Institutions and Human Rights (ODIHR)  
to the Human Rights 75 Secretariat  
December 2023

**Original language of submission:** English

**Type of pledge:** Single (by one state/actor)

**Pledging entity:** OSCE Office for Democratic Institutions and Human Rights (ODIHR)

**PLEDGE NUMBER 1:** The pledge will focus on the impact of new technologies on the enjoyment and promotion of human rights. It will include concrete indicators as mainstreaming new technologies and their human rights impact on the work of human rights defenders as well as in the field of freedom of peaceful assembly, through inclusion of specific recommendations for OSCE participating States in dedicated tools and Guidelines to be developed by ODIHR in 2024 and 2025 on these thematic areas, and which will translate into a number of specific capacity building activities for national authorities (security services, legislators, NHRIs) as well as civil society actors and human rights defenders.

**Expected deadline within which pledge will be realised:** Dec 31, 2025
