

HUMAN RIGHTS 75
HIGH-LEVEL EVENT
10-11-12 DECEMBER 2023

Programme

The *Human Rights 75* – High-level event will:

- lead to **concrete change and progress** through pledging events
- strengthen the worldwide consensus on the **universality and indivisibility** of human rights
- lead to a **vision** for Human Rights for the next 25 years and feed the Summit of the Future
- highlight **75 years of achievements**, as well as the work done this year
- and create a wave of **public support** for human rights.

Format

Geneva hub - venue: Room XX – Palais des Nations.

Three regional hubs connected: Panama, Nairobi and Bangkok.

And the possibility to follow the debates remotely thanks to **our virtual human rights center**.

Sunday 10 December

People's movement of solidarity and support to human rights

On Human Rights Day, there will be **candlelight concerts and artistic moments in many cities and villages**.

Monday 11 December
